

Community Household Survey

Your chance to say what you want and what you don't want – and a chance to win £100.

Each household in the parish of Strete will receive a household survey and response form together with an options booklet during the weekend 12th and 13th March.

The option booklet contains guidelines to assist each household in stating their preferences for each subject item and should be read in conjunction with the survey document.

The completed survey document is to be sealed in the envelope provided and posted in one of the ballot boxes provided at the Village Shop/Post Office, The Kings Arms or the Parish Hall in Strete.

The target date to complete and post the survey document is 22nd March 2016.

A PRIZE DRAW is to take place in Strete Parish Hall at 7:30pm on 30th March 2016 where the first survey document drawn out of the box, that has contact details included on the survey form, will win £100.

YOUR RESPONSE IS IMPORTANT
