

# Response Form & Household Survey

Complete and return to register  
your views and possibly **win £100**

# Please **tick** the appropriate box to confirm your preference.

In order to gather some of the evidence needed to support the proposals contained in the final Neighbourhood Plan a number of suggestions that were raised at the initial Open Meetings held in the Parish Hall in 2015 have been included for you to comment on. These will, for example, help judge the actual need for development.

Please ensure you read the booklet provided in conjunction with the options in the response form as we have included guidelines on some of the issues for you to consider before you tick your preference box.

The number of people in each household who are registered as being resident will be issued with a booklet and survey document in an unsealed envelope.

**Please arrange to seal your survey document in the envelope provided and post in one of the ballot boxes provided at the Village Shop / Post Office, The Kings Arms or the Parish Hall.**

Second home owners in the parish are invited to complete and return the survey. Your preferences will be noted in the development process of the Neighbourhood Plan.

The target date to complete and post your survey document is **22nd March 2016**.

You need not give your name and contact details, but if you do the information you give will be treated in the strictest confidence and be seen only by the persons collating the responses. Having that information will also make it possible to enter you in the PRIZE DRAW to take place on 30th March 2016, in which you could **win £100**.
