**A379 Slapton Line Reinstatement**

Alun Griffiths (Contractors) Ltd are delighted to have been appointed to carry out the reinstatement of the A379 road between the villages of Slapton and Strete.

Following a recent letter drop in your area, we have received feedback from residents asking if a drop-in event about the A379 reinstatement could be arranged in Strete. We would therefore like to invite you to 'drop-in' and see the proposed plans for this work which will be on display in Strete Parish Hall on Monday 25th June between 16.00 hours and 19.00 hours, tea and coffee will be available. Members of the Alun Griffiths team delivering the project and members of Devon County Council project team will be on hand to answer questions.

We will be working with Devon County Council and the wider Slapton Line Partnership, to ensure that factors sensitive to this location are fully considered prior to work commencing and during the construction phase. We will aim to keep disruption to a minimum throughout the project.

We will establish a public information centre which will be staffed once a week by our public liaison officer Rosemarie Harrod, whose contact details can be found at the bottom of this letter.

Yours Sincerely

R Harrod
