

# STRETE NEIGHBOURHOOD PLAN

## Monitoring Framework

January 2019

Submitted by the qualifying body: **Strete Parish Council**

for: **Strete Neighbourhood Plan**  
<http://strete.org.uk/neighbourhood/>

1. A simple monitoring framework will help to measure the effectiveness of the plan's policies in delivering its objectives. The support and involvement of other authorities and agencies will be necessary in order for monitoring to be carried out.
2. The framework below includes some of the indicators and measures that can help to monitor the plan. Many of these are already collected on a regular basis by the responsible bodies. Some are likely to be gathered by local organisations. Others may depend upon the agreement and support of bodies such as Devon County Council, South Hams District Council and the Environment Agency.
3. Frequency of monitoring will vary, but it will be good practice to assess and report on the plan's performance at least every 3 years.
